

## CardSwap

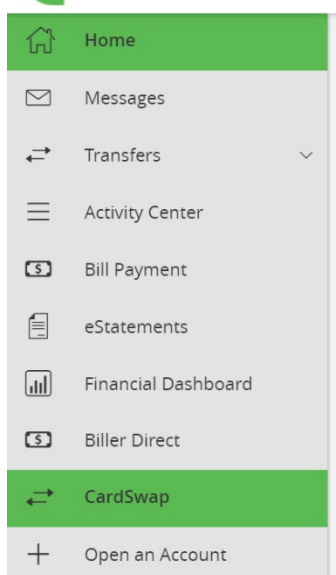

### Merchants

CardSwap™ is the first switch kit for subscription and eCommerce merchants, allowing users to put their card top-of-wallet for their favorite services—all in one place.

- The main objective of CardSwap is to eliminate one of the biggest hassles of switching bank accounts by allowing members to automatically move their online and subscription payments to their new card in one place.
- There are over 60 businesses available to link your card to. Some include:
  - Amazon, Netflix, Hulu, Spotify, iTunes, Uber, Lyft, Disney +, Airbnb, Walmart, and more.
- Merchants must sign up to participate in CardSwap, but don't worry—new ones are being added all the time!
- Update your Citizens Bank of Edmond debit card information for over 60 of your favorite online shopping and streaming services.
- Easily update your payment information in the event that your card gets lost, stolen, or compromised.

### Setting Up CardSwap

Once logged into online banking or our mobile app, choose **CardSwap** then **Get Started**.

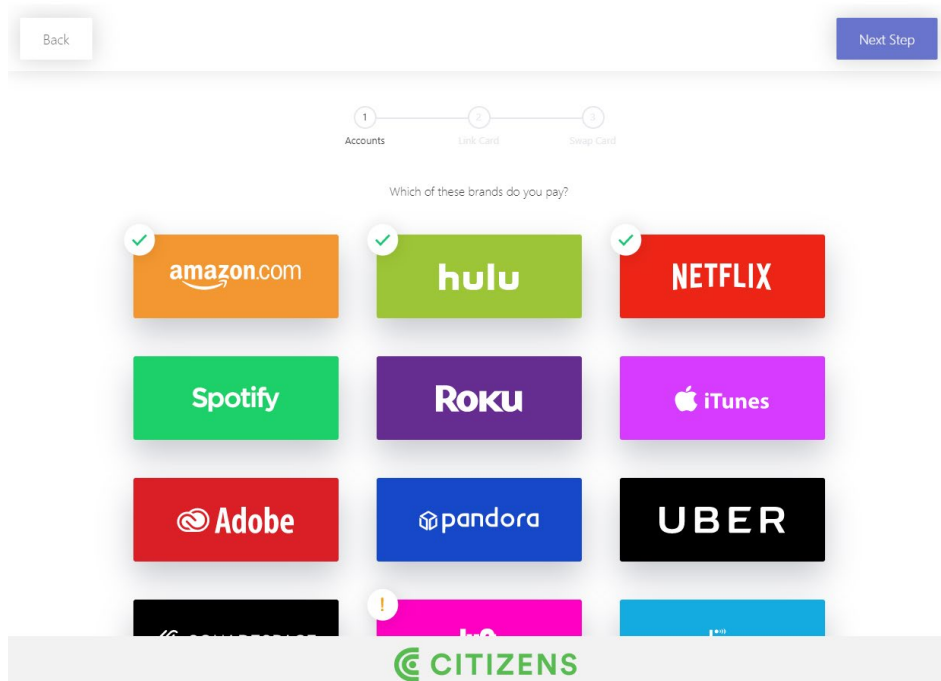

### Make managing your payment preferences a cinch.

A single spot to update your card on file wherever you pay - subscription and streaming services, eCommerce merchants, and more.

[Get Started](#)

Select the companies you'd like to switch to your Citizens Bank of Edmond Debit card, then click **NEXT STEP** on the upper right hand corner.

Add your Citizens Bank of Edmond card information, then click **VERIFY CARD**.
