

Person to Person (P2P)

Person to Person payments are a digital cash alternative that make sending and receiving money as easy as emailing and texting. Whether it's splitting the check or sending a birthday gift, Person to Person payments allow you to quickly transfer money from your existing debit account to almost anyone else's! It's fast and it's free!

Using Person to Person payments

Once logged into online banking or our mobile app, select **Transfers** then **Person to Person**.

Select **Send Money**.

Send Money

It is quick, easy and totally secure to send money. Try it today!

* Initial setup requires a participating debit card. If there are other requirements, they will be listed at the bottom here
